**[Desert Recreation District](#)**

*Desert Recreation District (DRD) is the largest park and recreation district in California, covering over 1,800 square miles and serving more than 300,000 residents throughout the greater Coachella Valley. In addition to managing, maintaining, and assisting in maintaining more than 30 parks and recreation facilities and creating and delivering quality programs, services and classes, thanks to strategic partnerships we have been able to bring essential services such as Rapid-Response Food Distributions, COVID-19 Testing, Flu Shots, a Distance-Learning Program and more to Valley residents. This community collaborative approach allows us to not only provide barrier-free and safe recreational activities, but to also bring critical resources where they are needed, thereby helping to create stronger communities and healthier citizens.*
