**9. Study Session Items:**

- A. DISCUSSION AND REQUEST FOR BOARD DIRECTION regarding financing, prioritization and schedule of capital improvement projects.

At the September 14, 2016 Board of Directors meeting it was agreed at the October 12, 2016 Board Meeting each Board Member is to bring the top two projects he or she would like to discuss at the Study Session. Following is each Board Member's selections:

Division I – Silvia Paz priorities – North Shore Community Park development and Oasis Community Park development. Board Member Paz also placed a high priority on development of the Thermal park.

Division II – Rudy Gutierrez – Park/Facility development in the Eastern Coachella Valley for the mentally/physically challenged, such as was just opened in Palm Springs area. Second item mentioned was to expand community center at Bagdouma Park. Board Member Gutierrez also mentioned expanding services in Indio Hills and adding some sort of weekly or monthly activity, such as Bingo, in the Chiriaco Summit area.

Division III – Joanne Gilbert – Pawley Pool renovation project is her number one priority, and finding new location for The District Gymnastics Academy is her second priority.

Division IV – Rudy Acosta – The District Gymnastics Academy is a top priority, and he suggested we investigate the possibility of going into an existing empty retail space such as where Sam's Club or Legacy Furniture store was in La Quinta. A multi-district community center is another priority, with placement in Bermuda Dunes area and possibly partner with the community of Bermuda Dunes and the county. Board Member Acosta also mentioned that the Pawley Pool renovation and the expansion of the preschool programming in Palm Desert are priorities.

Division V – Laura McGalliard – expansion of the Palm Desert Community Center (and volleyball programming) is her top priority, and finding a new location for The District Gymnastics Academy is her second priority.

Funding sources and capital improvement plan budgets were reviewed and discussed, including low-interest loans and grants. Approaching the Berger Foundation to see if they would offer a loan at the same rate as the USDA was suggested as well.
