Indio Community Center Renovation Update! Temporary Closing from March 10-16, 2014

Indio, CA (March 07, 2014) – Renovation of the Indio Community Center is making great progress. Excitement is building as the Center gets closer to completion. Concrete flooring and interior paint will be installed from March 10 – 16, 2014. During that time, the Center will be closed. Finishing touches such as cabinet work, exterior paint and a new fitness room will follow.

All participants in scheduled classes, the District Gymnastics Academy and other programs have been notified that their activities will be temporarily suspended. Classes and programs will resume on Monday, March 17, 2014.

The final phase of the work will highlight the arrival of new cardio-equipment. The Desert Recreation District will be installing a Fitness on Demand System. This state-of-the-art system brings group fitness classes to a new level. Details on this and other improvements and additions will be provided when the Indio Fitness Center renovation has been completed.

A Grand Re-Opening is being planned for early June. Information will follow when details have been confirmed.

About Desert Recreation District

The Desert Recreation District (DRD) is the largest recreation and park district in the state of California. DRD supports communities throughout the Coachella Valley by partnering with them to encourage healthy lifestyles, wellness activities and positive out-of-school programs. The District maintains quality park and recreation facilities and trails, initiates and delivers programs and services, and facilitates leisure opportunities for residents of all ages. Programs vary by community. For more information contact DRD at www.MyRecreationDistrict.com or 760-347-3484.
